PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON TUESDAY, JUNE 27, 2000

SOLICITATION AND REVOCABILITY OF PROXIES

The Board of Directors of Corniche Group Incorporated is soliciting your proxy for use at our 2000 Annual Meeting of Stockholders. The Annual Meeting will be held on Tuesday, June 27, 2000, at 10:00 a.m., at the Texas Star Golf Course and Convention Center, which is located at 1400 Texas Star Parkway in Euless, Texas. This proxy statement and the accompanying proxy card are being sent to you on or about June 6, 2000.

We will pay the cost of soliciting proxies. We may use our officers and employees to solicit proxies in person or by telephone, facsimile or similar means (any officers or employees soliciting proxies will not receive any extra compensation for their efforts). We may also reimburse brokers or other persons holding Corniche stock in their names or in the names of their nominees for their charges and expenses in forwarding proxy materials to the beneficial owners of the stock.

Shares represented by a proxy card in the form provided to you with this proxy statement will be voted at the Annual Meeting as you direct on the proxy card. To be valid and counted at the Annual Meeting, you must properly sign, date and return the proxy card to us. IF YOU SIGN AND RETURN THE PROXY CARD BUT DO NOT PROVIDE ANY DIRECTION AS TO HOW TO VOTE YOUR SHARES, THEN YOUR SHARES WILL BE VOTED FOR THE ELECTION OF THE FIVE NOMINEES FOR DIRECTOR NAMED IN THE PROXY CARD, FOR THE AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF COMMON SHARES THAT CORNICHE MAY ISSUE, AND FOR THE AMENDMENT TO THE 1998 EMPLOYEE INCENTIVE STOCK OPTION PLAN TO INCREASE THE NUMBER SHARES ISSUABLE UNDER THE PLAN.

The Board of Directors is not aware of any other business to be conducted at the Annual Meeting. In case any other matters properly come before the Annual Meeting, the persons named in the proxy card intend to vote on the other matters in accordance with their best judgment.

You may revoke your proxy at any time before it has been voted at the Annual Meeting in three ways: (1) by giving written notice of your revocation to Corniche's Secretary, (2) by filing a proxy having a later date or (3) by voting in person at the Annual Meeting.

VOTING SECURITIES

On May 1, 2000, the record date for determining the stockholders who are entitled to notice of and to vote at the Annual Meeting, 14,244,937 shares of Corniche's common stock were outstanding and 825,000 shares of its Series B preferred stock were outstanding. Each share of common stock is entitled to one vote. Each share of Series B preferred stock is entitled to ten votes. Shares of common stock and shares of Series B preferred stock vote together as one class. Only the record holders of common stock and Series B preferred stock at the close of business on May 1, 2000, the record date for the Annual Meeting, are entitled to notice of and to vote at the Annual Meeting. Unless the context otherwise requires, all references to "stockholders" in this proxy statement refer to holders of common stock and Series B preferred stock.

QUORUM AND VOTING PROCEDURES

A majority of the shares of Corniche's common stock and Series B preferred stock entitled to vote must be present in person at the Annual Meeting or represented by proxy at the Annual Meeting for there to be a quorum at the Annual Meeting. For purposes of the quorum and determining the amount of votes necessary to take stockholder action, stockholders of record who are present at the Annual Meeting in person or by proxy and who abstain from voting, including brokers holding customers' shares of record who cause abstentions to

be recorded at the Annual Meeting, are considered stockholders who are present and entitled to vote and they count toward the presence of a quorum.

Brokers holding shares of record for customers generally are not entitled to vote on certain matters unless they receive voting instructions from their customers. "Broker non-votes" means shares held by a broker who has not received instructions from its customers on such matters and for which the broker has no discretionary power to vote.

VOTE REQUIRED FOR APPROVAL

The affirmative vote of the holders of a plurality of the voting power of the shares of common stock and Series B preferred stock, voting together as a single class, present or represented by proxy and entitled to vote at the Annual Meeting at which a quorum is present is required to elect each of the five directors nominated for election or re-election to Corniche's Board of Directors (Proposal 1). Votes may be cast in favor of or withheld with respect to each nominee. Abstentions and broker non-votes will not be counted and will not affect the outcome of the election of directors. The approval of Proposal 1 is not conditioned upon the approval of any other proposal.

The affirmative vote of a majority of the issued and outstanding shares of common stock and Series B preferred stock, voting together as a single class, entitled to vote at the Annual Meeting at which a quorum is present is required to amend Corniche's Certificate of Incorporation to increase the number of authorized shares of common stock (Proposal 2). Broker non-votes and abstentions will have the same effect as voting against Proposal 2. The approval of Proposal 2 is not conditioned upon the approval of any other proposal.

The affirmative vote of a majority of the votes cast by the holders of common stock and Series B preferred stock, voting together as a class, is required to increase the number of shares issuable pursuant to the 1998 Employees Incentive Stock Option Plan (Proposal 3). Abstentions and broker non-votes will not be counted and will not affect the outcome of the vote on Proposal 3. The approval of Proposal 3 is not conditioned upon the approval of any other proposal.

All other matters properly brought before the Annual Meeting will be decided by a majority of the votes cast on the matter.

PROPOSAL 1

ELECTION OF DIRECTORS

GENERAL

Five directors will be elected at the Annual Meeting. Directors are elected by plurality vote. If any nominee becomes unavailable for election for any presently unforeseen reason, the persons designated as proxies will have full discretion to vote for another person designated by the Board of Directors. Messrs. Hutchins and Fyfe are presently directors of Corniche, were elected as directors at the 1999 Annual Meeting, and have served continuously as directors since the date of their first election to the Board of Directors. Mr. Benoit was appointed a director in September 1999 and has served continuously as a director since his appointment. Messrs. Harrison and Raftery have not previously served as directors.

From May 1995 until May 1998, Mr. Fyfe served as Vice President and Chief Operating Officer of Corniche. Robert F. Benoit, 42, has served as Chief Executive Officer since September 1999 and Secretary since June 1999. He was Executive Vice President and Chief Operating Officer from February 1999 to September 1999. Mr. Hutchins was employed by Warrantech Automotive, Inc. as National Claims Manager, from May 1995 to May 1998. Prior to joining Warrantech, he spent 45 years in the property and casualty insurance industry in various executive and management positions.

Paul L. Harrison has been a director of Transmedia Europe, Inc., a member benefit loyalty marketing company in London, England, since June 1996. Mr. Harrison was also President, Principal Financial and Accounting Officer and Secretary of Transmedia Asia Pacific, Inc., also a member benefit loyalty marketing company in London, England, until October 1999. From May 1994 until June 1997, he was a business and financial consultant to Transmedia Europe, Inc.

Joseph P. Raftery has been an independent business consultant since 1998. From 1990 to 1998, Mr. Raftery was Chairman and a member of the Board of Directors and President of BankAmerica Insurance Group, Inc., a subsidiary of BankAmerica Corp. based in San Diego, California.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE ELECTION OF THE NOMINEES FOR DIRECTOR NAMED ABOVE.

MEETINGS OF THE BOARD OF DIRECTORS

Three regularly scheduled meetings of Corniche's Board of Directors were held during the year ended December 31, 1999. All directors attended at least 75% of all the meetings. The Board of Directors has not had separate committees of directors in the past. The Board intends to appoint audit, compensation and stock option committees following the Annual Meeting.

DIRECTOR COMPENSATION

Pursuant to the 1998 Independent Director Compensation Plan, each director who is not an officer or employee of Corniche is entitled to receive compensation of \$2,500 per calendar quarter plus 500 shares of common stock per calendar quarter of board service, in addition to reimbursement of travel expenses. Outside directors are entitled to be compensated for committee service at \$500 per calendar quarter plus 125 shares of common stock per calendar quarter. No directors' fees are payable to Corniche employees who serve as directors. Corniche deferred the payment of directors' fees for service during the year ended December 31, 1999.

All directors are entitled to receive options to purchase 1,500 shares of common stock each May under Corniche's 1992 Stock Option Plan for Directors. Corniche deferred the grant of such options that otherwise would have been granted in May 1999 and 2000.

PROPOSAL 2

AMENDMENT OF THE CERTIFICATE OF INCORPORATION

The Board of Directors has determined that it is in the best interest of Corniche to amend its Certificate of Incorporation to increase the number of shares of common stock that Corniche is authorized to issue. Corniche currently has authority to issue 30 million shares of common stock. The Board of Directors has approved and adopted an amendment to the Certificate of Incorporation, pursuant to which the authorized common stock would be increased from 30 million to 75 million shares, and has directed that this proposal be submitted to the stockholders for approval.

PURPOSES AND EFFECTS OF THE PROPOSED INCREASE OF AUTHORIZED COMMON STOCK

The Board of Directors believes that this amendment is in the best interest of the Company and its stockholders because it would provide greater flexibility to the Board of Directors to issue additional equity securities, for example, to raise additional capital or to facilitate possible future acquisitions.

As of May 1, 2000, after giving effect to an aggregate of approximately 440,500 shares of common stock reserved for issuance upon exercise of warrants, options or awards granted or that may be granted under stock option and award plans, Corniche had approximately 7,264,500 shares of common stock available for issuance. The availability of an adequate supply of authorized and unissued shares of common stock provides Corniche flexibility by allowing shares to be issued, for example, in connection with possible future financings or acquisitions, without the expense and delay of a stockholders meeting, unless stockholder approval is otherwise required.

Although Corniche actively considers mergers, acquisitions and other transactions that may involve the issuance of additional shares of common stock (any one or more of which may be under consideration or acted upon at any given time), Corniche currently does not have any agreements, commitments or understandings

that would involve the issuance of additional shares of common stock in amounts that would exceed the number of currently authorized but unissued shares.

If the increase in the number of shares of authorized common stock is approved, generally, no stockholder approval will be solicited for the issuance of all or any portion of such additional shares of common stock unless required by law or any rules or regulations to which Corniche is subject, including the rules of the National Association of Securities Dealers, Inc. ("NASD"). Any issuance that does not require stockholder approval may be authorized by the Board of Directors. The rules of the NASD currently require stockholder approval prior to the taking of certain actions involving or pertaining to the issuance of common stock, including, the establishment of certain stock option or purchase plans or other arrangements pursuant to which common stock may be acquired by officers or directors, the issuance of common stock that would result in a change of control of Corniche, the issuance of common stock in connection with certain acquisitions and the issuance of common stock under certain other circumstances.

Stockholders of the Company have no preemptive rights with respect to the additional shares proposed to be authorized.

The issuance of any additional shares of common stock will have the effect of diluting the percentage of stock ownership and voting rights of the present holders of the common stock. The increase in the number of authorized shares of common stock may have a potential anti-takeover effect in that it would enhance Corniche's ability to issue additional shares which could be used to thwart persons, or otherwise dilute the stock ownership of stockholders, seeking to control Corniche. The increase may also render more difficult the accomplishment of mergers or the assumption of control by a principal stockholder, and thus make more difficult the removal of incumbent management. Corniche is not aware of any effort to accumulate its securities or to obtain control over it by means of a tender offer, proxy contest or otherwise.

Other provisions of Corniche's Certificate of Incorporation may also have an anti-takeover effect. The Certificate of Incorporation does not allow for cumulative voting. In addition, the Certificate of Incorporation provides that a business combination (defined, in pertinent part, as any merger or consolidation with or into any other corporation, firm or entity which under Delaware law must be submitted to a vote of stockholders, or the sale, lease, exchange or the disposition of all or substantially all of the property and assets to any other corporation, firm or entity) requires an affirmative vote or consent of the holders of a majority of all shares of Corniche's outstanding capital stock entitled to vote and a majority of each series or class of preferred stock which is entitled to vote as a class thereon. This class vote required for a business combination may make it more difficult to effect a hostile or unwanted takeover of Corniche. In addition, Corniche's Board of Directors may issue new series or classes of preferred stock without stockholder approval which, if issued, may have class voting and conversion rights which could adversely affect the voting power of the holders of common stock and have the effect of delaying, deferring or preventing a change of control of Corniche. This provision of the Certificate of Incorporation may not be amended, altered, changed or repealed without the prior affirmative vote or consent of the holders of 66 2/3% of all shares of stock entitled to vote and 66 2/3% of any series or class of preferred stock that has been granted the right to vote as a separate class.

Corniche is also subject to Section 203 of the Delaware General Corporation Law which provides certain restrictions on business combinations (as defined therein) with interested persons (any person who acquires 15% or more of Corniche's outstanding voting stock). In general, Corniche is prohibited from engaging in business combinations with an interested person for three years from the date a person becomes an interested person, subject to certain exceptions, including approval of the Board of Directors. By restricting Corniche's ability to engage in business combinations with an interested person, the application of Section 203 may provide a barrier to hostile or unwanted takeovers.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR PROPOSAL 2.

PROPOSAL 3

INCREASE IN SHARES ISSUABLE PURSUANT TO OPTION GRANTS UNDER THE
1998 EMPLOYEES INCENTIVE STOCK OPTION PLAN

The Board of Directors has determined that it is in the best interest of Corniche to increase the number of shares of common stock available under the 1998 Employees Incentive Stock Option Plan (the "1998 Plan"). Corniche currently has authority to issue options for up to 300,000 shares of common stock under the 1998 Plan. The Board of Directors has approved and adopted a resolution to increase the number of shares available under the 1998 Plan to three million shares and has directed that this proposal be submitted to the stockholders for approval.

In 1998, Corniche's stockholders approved the adoption of the 1998 Plan. The purpose of the 1998 Plan is to grant stock options to eligible employees (including employees serving on the Board of Directors) to enable Corniche to compete successfully in attracting, motivating and retaining employees with outstanding abilities by making it possible for them to purchase shares of Corniche's common stock on terms that will give them a direct and continuing interest in its success. All regularly employed salaried personnel of Corniche and its subsidiaries (currently four people) are eligible to receive options under the 1998 Plan.

Currently the maximum number of shares of common stock that may be issued pursuant to options granted under the 1998 Plan is 300,000. As of May 1, 2000, 125,000 shares of common stock remained available for option grants under the 1998 Plan. As of May 24, 2000, the market value of the common stock was \$2.25 per share. The Board of Directors has determined that it is in the best interest of Corniche to increase the number of shares of common stock issuable pursuant to options granted under the 1998 Plan. The Board anticipates hiring additional employees in the near term and believes that it will be necessary to offer incentive options as part of a total compensation package to attract and retain the best candidates.

The Board may not, without prior stockholder approval, amend the 1998 Plan to increase the maximum number of shares subject to option under the 1998 Plan.

The number of options that might be granted in the future under the 1998 Plan to Corniche's current management and employees is not determinable. During 1999, 175,000 options were issued to Robert F. Benoit under the 1998 Plan.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR PROPOSAL 3.

OTHER BUSINESS

The Board of Directors does not know of any business to be presented for consideration at the Annual Meeting or any adjournment thereof other than as described above. The persons authorized under the Board of Directors' proxies intend, in the absence of instructions to the contrary, to vote or act in accordance with their judgment with respect to any other matter properly presented for action at the Annual Meeting or any adjournment thereof. The affirmative vote of the holders of a majority of the voting power of the shares of common stock and Series B preferred stock, voting together as a single class, present in person or represented by proxy at the Annual Meeting at which a quorum is present and entitled to vote would be required with respect to any such matter brought to a stockholder vote.

COMPENSATION OF EXECUTIVE OFFICERS

In February 1998, Corniche changed its fiscal year end from March 31 to December 31. Consequently, the executive compensation information presented below relates to the period from April 1, 1998, through December 31, 1999. Mr. Hutchins, Corniche's President and Principal Financial Officer, was Corniche's only executive officer as of December 31, 1998, who received compensation from Corniche during the nine-month period then ended. Mr. Hutchins and Robert F. Benoit were Corniche's only executive officers during 1999. Except for Mr. Hutchins' service in 1998, neither of them was an employee of Corniche during any prior fiscal year. The table below sets forth information concerning the compensation of Messrs. Hutchins and Benoit for services in all capacities to Corniche for the nine months ended December 31, 1998, and the year ended December 31, 1999.

REPORT ON EXECUTIVE COMPENSATION

Corniche's Board of Directors currently does not have a compensation committee, but expects to appoint such a committee following the Annual Meeting. Compensation decisions with respect to Messrs. Hutchins and Benoit, Corniche's only executive officers during 1998 and 1999, were made by Mr. Joel San Antonio, then Acting Chairman of the Board, in consultation with Mr. Ronald Glime, then a director of Corniche. Messrs. Hutchins' and Benoit's compensation, which consisted solely of salary and a car allowance, was determined through negotiations between them and Mr. San Antonio. Mr. Hutchins' salary for the nine-month period ended December 31, 1998, was based primarily upon Mr. Hutchins' salary at his prior position, the increased responsibilities he would have as an officer of Corniche, and Corniche's financial position. His salary for 1999 was the same as in 1998. Mr. Benoit's salary for 1999 was also based primarily upon his salary at his prior position, the increased responsibilities he would have as an officer of Corniche, and Corniche's financial position.

INDEPENDENT PUBLIC ACCOUNTANTS

Weinick Sanders Leventhal & Co., LLP has been appointed by Corniche's Board of Directors to audit Corniche's financial statements for the year ended December 31, 1999. Representatives of Weinick Sanders Leventhal & Co., LLP are expected to be present at the annual meeting to respond to appropriate questions from the stockholders and will be given the opportunity to make a statement should they desire to do so.

CHANGES IN ACCOUNTANTS

In February 1997, Corniche appointed Simontacchi & Co, LLP as Corniche's independent auditors responsible for the audit of Corniche's financial statements. Corniche's Board of Directors approved the appointment. Corniche did not consult Simontacchi regarding any accounting or financial reporting issues before Corniche retained that firm. Simontacchi audited Corniche's financial statements for the fiscal years ended March 31, 1996, 1997 and 1998. Simontacchi's report on Corniche's financial statements for the fiscal years ended March 31, 1996, 1997 and 1998 expressed an unqualified opinion on those financial statements based upon their audits.

On August 12, 1998, Corniche and Simontacchi terminated their client-auditor relationship. The reports of Simontacchi on the financial statements of Corniche for the prior two fiscal years contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. The Board of Directors participated in and approved the decision to change the independent accountants. In connection with its audits for the prior two fiscal years and through August 12, 1998, there were no disagreements with Simontacchi on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Simontacchi, would have caused Simontacchi to make reference thereto in its report on the financial statements for such years.

Corniche engaged Weinick Sanders Leventhal & Co., LLP as its new independent accountants as of August 12, 1998. Corniche's Board of Directors approved the appointment. Corniche did not consult with Weinick Sanders Leventhal regarding accounting or financial reporting issues before that firm was retained.
